Meet Your Mentor...

During the lunch session, each of you will have the opportunity to meet with an assigned mentor. Your Mentor is here to:

- Meet you
- Learn a little about you
- Share information about her professional career with you
- Share information about a variety of careers with you
- Give advice about educational opportunities and ways for you to prepare for your future

This is a great opportunity for you to make a connection with a professional woman in our local area. So, be sure to ask your mentor lots of questions such as:

- What is your educational background?
- How did you decide on your career?
- What are your future plans?
- What advice can you give to me as I prepare for my future?

AND ANYTHING ELSE THAT YOU WOULD LIKE TO KNOW!
